# Welcome to Cossiga!

**OUR PRODUCTS... AT A GLANCE!** Our modular and stylish food displays work together seamlessly and keep food fresh, visually appealing and easy to grab and go. They work in a wide range of environments and will help you make food look great - anytime, anywhere!

PICK YOURS >

## DTG

It's time to think big! An efficient and stylish multideck built for high volume, food-to-go environments.

## TTG

A practical and adaptable mid-height multideck with the added convenience of rear loading.

## BTG

NEXT GEN

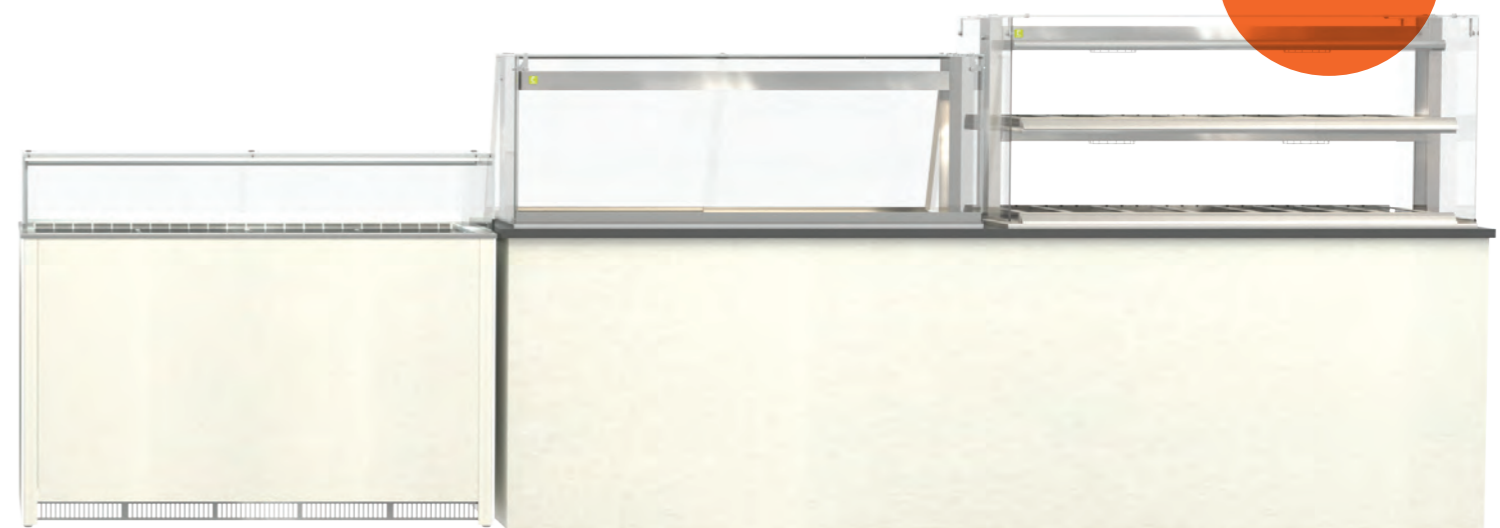

This versatile range is now easier to operate and delivers even better food display. A best-seller for a reason!

## STG

A compact counter-top cabinet ideal for smaller food-to-go environments.

## GOG

Streamlined glass-on-glass with a low height profile delivers stunning food visibility.

## LP

This low and sleek glass cabinet range sets the stage for delicate chilled display.

## LS

Build your food service line up from these stylish and highly functional hot and cold drop-ins.

## OTS

(HEAT CHUTE AND HEAT BAR)

Introducing OTS (On The Slide), an innovative quick service range with our new HEAT BAR and HEAT CHUTE, designed for high-traffic environments where speed is key.

**EXPERT ADVICE + UNMATCHABLE 360° SERVICE... EASY!**
