

MERCURY

by Middleby

The Mercury Gas Cooking Range caters to modern, busy culinary establishments with dependable, adaptable, and stylish equipment that ensures performance and value. Crafted from brushed stainless steel, featuring cool touch dials, and heavy duty build, it embodies safety and ease. Designed for easy cleaning and servicing, it adheres to international standards.

Oven Ranges

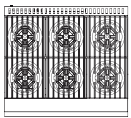

Mercury's Gas Range is a blend of reliability, performance, and style. With sturdy stainless steel construction, cool-touch dials, and robust features, it's designed for safety and ease of use. Cleaning is a breeze with removable components, and easy access for servicing ensures operational compliance.

Code	Burners	Oven Size	MJ	Dimensions (mm) W x D x H
M36S-6F	6	675 x 415 x 355	NG LPG 221.5 227.5	915 x 836 x 1124
M24S-4F	4	490 x 415 x 355	NG LPG 156.5 158	610 x 836 x 1124

Cook Tops

Mercury Cook Tops offer flexible, reliable, and stylish solutions for modern catering. Constructed with stainless steel and cool-touch dials, they ensure safety and performance. Available in various configurations, with heavy-duty trivets, they provide a sturdy cooking surface for expanding menus.
