70 years of innovation

With unrivalled expertise in instant filtered boiling, chilled and sparkling water, Zip Water is known globally for being home to the Zip HydroTap, which dispenses pure-tasting water at the touch of a button.

Founded in Australia in 1947, we've always been innovators, advancing and perfecting our drinking water technology for decades. Today, we're proud to provide workplaces, in over 70 countries across the world with the purest tasting water possible from our range of Zip HydroTaps.

Access the latest water filtration technology for pure-tasting water. Convenience at the touch of a button for instant boiled, chilled and sparkling water. Stylish designs and finishes to suit any kitchen and declutter bench space for efficiency. Keep up with the busy demands of a workplace with Zip HydroTap technology. We provide drinking water solutions for all workplaces - offices, health and aged care facilities, small businesses and workplaces looking to reduce shared touchpoints.

Experience water at its best with Zip HydroTap.

John Doumani, President Zip Industries

HydroTap Classic Plus in Chrome finish

Experience water at its best with Zip HydroTap

Convenience of instant pure-tasting water at the touch of a button

Enjoy pure-tasting boiling, chilled and sparkling water flowing from the simplest of touches with the Zip HydroTap G5. With sleek design and slick function powered by our most advanced technology, the HydroTap G5 has more personalised settings and features SteriTouch® for enhanced hygiene. It's not just water, it's water at its best.

POWERED BY
G5
TECHNOLOGY

Powered by our latest G5 technology

Zip HydroTap's superior filtration and compact, efficient design makes it the perfect water solution for any workspace.

Remove kettles from your benchtops. Eliminate refrigerated bottles of still and sparkling water. Save space, energy and money. Forget deliveries and storage of water cooler bottles.

The Zip HydroTap is a convenient and practical way to offer your staff, customers and visitors fresh, pure-tasting water – instantly and safely.

Experience water at its best with HydroTap in the workplace

Pure-tasting boiling, chilled and sparkling water in an instant, delivered seamlessly with a Zip HydroTap. There is a HydroTap to suit any workplace.

For the office workplace

Workplace productivity and wellbeing is vital to every team environment. Zip HydroTap meets all your workplace water needs, in one elegant, easy-to-use system, using the latest technology to keep up with a busy workplace. Introducing our latest addition to our flagship HydroTap range - Classic Plus.

For touch-free workplaces

With an increased consideration around hygiene in the workplace, Zip HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

For the small workplace

Award winning Zip Micro is our smallest ever drinking water system, designed to fit under almost any bench and keeps up to 10 people hydrated – the perfect solution for smaller offices.

For health and aged care facilities

For health and aged care facilities, HydroTap UltraCare is proven to deliver a 99.9% reduction in Legionella*.

Featured product HydroTap Classic All-In-One installed over sink in Matte Black finish

Say hello to the new Classic Plus

Sleek design meets slick function

With simple, intuitive controls including continuous flow to fill bottles and coming in seven ultra-modern finishes, HydroTap Classic Plus will offer instant hydration and convenience to any workplace.

Smarter and sustainable

Customise your HydroTap G5 system by selecting energy modes and usage settings with the optimised new menu. With easy to change high quality filters, a Zip HydroTap will support your sustainability ambitions and remove the need for bottled water in the workplace.

Protection where it counts

Zip HydroTap G5 has SteriTouch® antimicrobial protection impregnated within key water surfaces as well as on the new Classic Plus touch-pad for enhanced hygiene.

Create a safer workplace with HydroTap Touch-Free Wave

Available in Chrome and Matte Black

Introducing Zip HydroTap Touch-Free Wave, with smart infrared sensors that activate boiling, chilled and sparkling water.

With an increased consideration around hygiene in the workplace, new Zip HydroTap Touch-Free Wave provides a 100% touch-free solution to instantly dispense pure-tasting drinking water with a simple wave of a hand.

How it works

- Infrared smart sensors detect hand movements within 1.5 - 5cm in range of the tap
- Once the hand moves away, the water flow will stop
- All drinking water types will have a maximum run time of 15 seconds which is adjustable from the command centre
- Continuous flow to fill bottles with twin sensor activation

Safety features

- Twin sensor activation for safe delivery of boiling water

- Dispensing will deactivate when the tap is touched or grabbed, allowing for safe cleaning

Wave right for chilled

Note: HydroTap Touch-Free Wave in Matte Black features a two tone finish, with a matte black tap body and chrome sensor head.

Zip Micro, our smallest ever drinking water system

Zip Micro is 37% narrower, perfect for small kitchens for up to 10 people, delivering perfectly **boiling** and **chilled** water at your fingertips.

- 

Designed with space in mind
Our smallest underbench system footprint is 37%* narrower.
- 

Optimised for up to 10 people
Keep up to 10 people hydrated with boiling only or boiling + chilled filtered water options.
- 

Easy to use
The Zip Micro tap design comes with an integrated safety lock and uses an intuitive twist activation with auto and manual fill options. The underbench system comes with pre-configured settings and modes.
- 

Micro-filtration for pure tasting water
Zip Micro uses the latest filtration technology for pure-tasting water. Zip filters are certified to reduce bacteria, sediment, odours to NSF 42 (aesthetic effects) and NSF 53 (health effects).

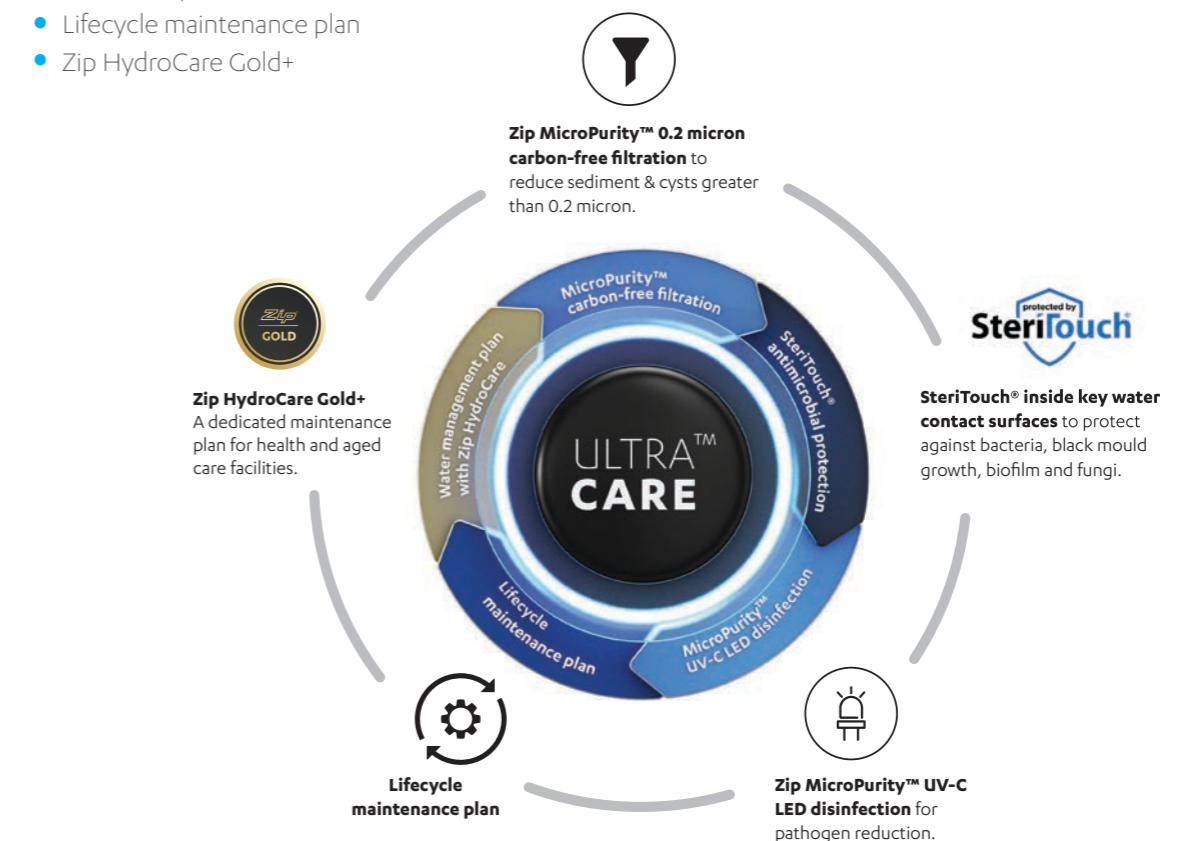

2020 Gold Accolade Winner
in the Product Design Domestic Appliances category in recognition for outstanding design and innovation.

The Zip HydroTap UltraCare system is proven to deliver 99.9% reduction in Legionella*

Zip HydroTap UltraCare uses a combination of localised treatments and barriers that are proven as the most effective method of reducing waterborne organisms and pathogens including Legionella**.

The barriers provided in the UltraCare system are:

- MicroPurity™ 0.2-micron carbon-free filtration
- SteriTouch® antimicrobial enhanced surfaces
- MicroPurity™ UV-C LED disinfection
- Lifecycle maintenance plan
- Zip HydroCare Gold+

*ALS Pty Ltd Testing of the Zip HydroTap UltraCare system efficacy tests.

**enHealth 2015 Guidelines for Legionella control in the operation and maintenance of water distribution systems in health and aged care facilities, Australian Government, Canberra.

HydroTap, powered by new G5 technology

Leading the way in performance and functionality, Zip's fifth generation G5 technology continues to deliver the convenience you would expect from a HydroTap.

Perfected over 70 years of development and innovation, HydroTap G5 transforms tap water into a form you will love, in an instant.

The G5 command centre is WaterMark approved, which means it is fit for purpose and appropriately authorised for use in plumbing and drainage installations.

HydroTap product warranty

Zip HydroTap G5 is backed by a 36 month comprehensive parts and labour warranty, plus a further 24 months on internal tanks.

PowerPulse technology

Our innovative Zip PowerPulse technology maintains stored boiling water to within 0.2°C of your set temperature, meaning no energy or time is wasted waiting for water to boil.

Unique safety features

Zip boiling water is delivered smoothly and the tap has a safety lock to facilitate safe boiling water delivery.

Air-cooled system

Our unique air-cooled refrigeration system is 100% water efficient.

Auto-diagnostics

An advanced auto-diagnostics system continuously monitors your HydroTap's performance.

MicroPurity™ filtration

Inbuilt 0.2 micron NSF-certified filter incorporating innovative silver ion antimicrobial technology means healthier, pure-tasting water for your workplace.

Smart Customisation

New optimised menu in the G5 HydroTap command centre allows you to select energy modes and usage settings for easier customisation.

SteriTouch® antimicrobial protection

SteriTouch® is impregnated inside materials in contact with key water paths in HydroTap for added protection against surface bacteria.

Touch-Free Technology

Zip HydroTap Touch-Free Wave uses smart infrared sensors to activate the tap to dispense boiling, chilled and sparkling water, all without touching the tap.

CO₂ level indicator

New feature in the command centre shows when CO₂ gas is running low.

Pure-tasting filtered water with Zip MicroPurity filtration

At Zip Water, we put water quality at the heart of our offering, with perfectly filtered boiling, chilled and sparkling water instantly.

Our mission is to help our customers to enjoy pure-tasting water, on tap, all the time, and that is why only the best tasting water will do.

Advanced filtration in every HydroTap system

Zip MicroPurity uses the latest filtration technology to filter and reduce impurities and potentially harmful contaminants larger than 0.2 microns in size – an impurity that will fit 250 times into a strand of hair.

Easy to maintain

We recommend regular filter changes to ensure you continue to enjoy pure-tasting water. Our MicroPurity filters are easy to change with a hygienic cartridge and our qualified service technicians can also perform filter changes for your convenience.

Trust Zip genuine filters

Every Zip HydroTap system comes fitted with a genuine MicroPurity filter, certified to reduce contaminants.

Crystal clear pure-tasting water

**MICROPURITY™
FILTRATION**
SAFELY FILTERS DOWN TO 0.2 MICRON

Triple Action Technology

- 1. Removes particulates greater than 5 micron**
Pleated membrane pre-filtration
- 2. Filter reduces particulates, lead, chlorine, taste, odour and cysts to 0.2 micron**
0.2 micron Fibredyne carbon element including bacteriostatic effect
- 3. Reduces limescale build up**
Limescale inhibitor

Zip MicroPurity filters are certified to reduce chlorine, taste, odour, bacteria, sediment and limescale in line with NSF 42 (aesthetic effects) and WaterMark requirements.

Zip MicroPurity filtration is also certified to deliver a reduction of 99.9% of cysts including cryptosporidium and giardia, and lead reduction of 98.9% to NSF 53 (health effects).

Water for a healthier workplace

Workplace wellness and wellbeing is vital to your team remaining engaged and productive. Water plays a significant role in the function of the brain, so ensuring your staff have access to fresh, healthy water is essential.

Zip Water research shows that 80% of Zip HydroTap owners drink more water than before*. Drinking more water offers a range of benefits, such as better concentration and less fatigue. Plus, the increased activity from getting up and moving around increases circulation, encourages the elimination of waste and toxins, and reduces the damaging effects of long periods of inactivity.

Zip HydroTap meets all your workplace water solution needs, in one elegant, easy to use system.

*Research carried out to 340 existing Zip HydroTap customers

Environmentally responsible

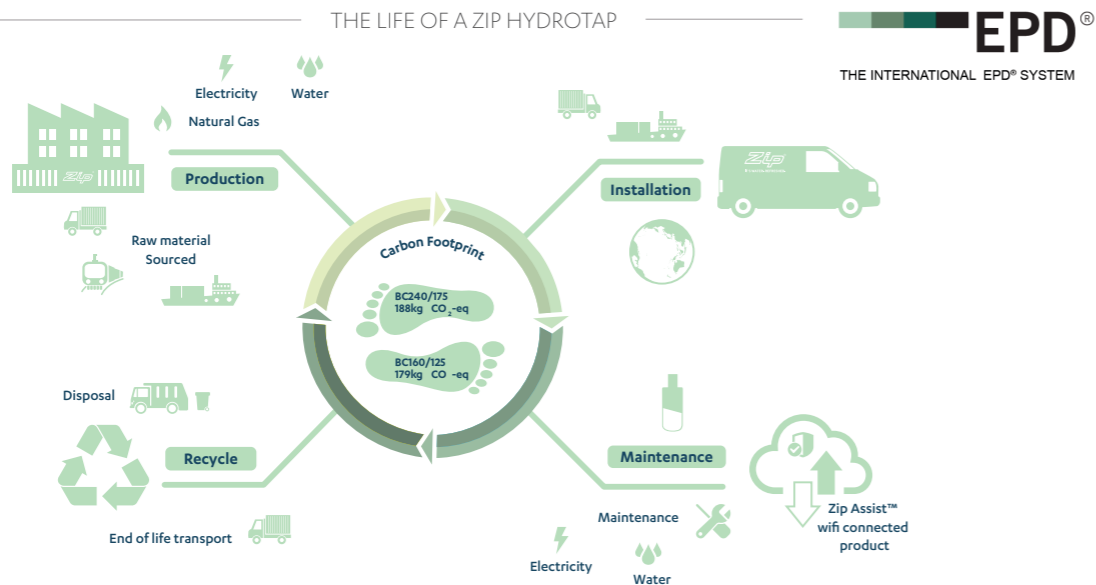

Independently verified Environmental Product Declaration

In another first for the world leaders in instant drinking water systems, Zip has released an internationally recognised and independently verified Environmental Product Declaration (EPD) for its HydroTap products. Developed with leading sustainability consulting company, **thinkstep***, it is the first EPD for an electrical product in Australasia, clearly demonstrating Zip's innovative and forward-thinking approach.

The HydroTap EPD details the environmental impact of the product throughout its life cycle, from the production and processing of raw materials, to manufacturing, distribution, installation, ongoing usage, maintenance and filter changing, right down to the end of the product's life.

Australians buy **over 580 MILLION** litres of bottled water a year.

Much of which ends up in **LANDFILL** and on our **BEACHES#**

EPD[®]
THE INTERNATIONAL EPD[®] SYSTEM

Responsible manufacturing

Organisational dedication to sustainability

Innovative air-cooled technology

Making HydroTap 100% water efficient

Low impact design

Complies with RoHS EU Directive 2002/95/EC

Smart energy saving modes

Time switch adheres to the Building Code of Australia

World class environmental credentials

Providing transparent product life cycle impact

Eliminates the need for bottled water

Reducing your environmental impact

Sustainable manufacturing

Zip Water products are Australian-made in Condell Park, New South Wales and exported to the rest of the world. Our manufacturing adheres to the highest standards of environmental responsibility and ensures the Zip HydroTap is manufactured sustainably.

ISO14001 is about much more than just designing an energy efficient product. It is complete organisational dedication to sustainable environmental management and ensures genuine commitment to a sound environment management system.

Zip Water is the only Australian manufacturer in our category to be accredited with all of the following internationally recognised standards:

ISO14001 –

Environmental Systems compliance and independently audited standards

ISO9001 –

Quality Management System

AS/NZS 4801 –

Workplace Health and Safety System

*oceanrangers.org/plastic-crusades/plastic-statistics/
*Thinkstep certified life cycle assessment and EPD verifiers - www.thinkstep-anz.com

Safe and accessible

All Zip products are designed to be completely safe and easy to use, with unique boiling water safety locks and cool touch technology. You can be confident that the end user can operate our systems safely, without needing to worry about spluttering steam.

For users with limited mobility or impaired vision, Zip HydroTap Classic is also available with accessible levers. The oversized levers incorporates braille into the colour coded red and blue options to indicate boiling or chilled drinking water.

Featured product

The Zip service difference

Our highly skilled network of mobile technicians and friendly customer service team are here to help keep your Zip products in top working order. Our expert technicians install HydroTaps across residential and commercial kitchens, and we can maintain any drinking water systems.

Full national coverage

With more than 100 Zip specialised technicians and 270 authorised service providers across the country, fully trained and qualified support is never far away.

Fast and efficient

Every Zip service technician carries a range of spare parts, genuine filters and CO₂ cannisters to repair on first time attendance, which means you can get back to enjoying your fresh, filtered water in no time.

Professional repairs and maintenance

Zip technicians are highly skilled, specialised and factory trained with years of experience to ensure you receive efficient, reliable and prompt service and repairs.

Be informed with updates

Get up-to-date SMS notifications when your Zip service technician is on their way to your service call to save you time in your day.

Customer satisfaction

We aim to provide our customers with professional care at a high standard and take pride on our level of service. Over 9000 customers rated the Zip service experience a 9 or 10 out of 10 in 2020.

HydroTap product warranty

Let Zip take care of the installation

Zip Water offers an installation service, with a national fleet of skilled service technicians who can install your HydroTap in any kitchen.

Our service technicians will make sure your HydroTap is up and running in no time and includes stone cutting for tap and font installation.

Our service technicians can also help maintain your HydroTap, with a simple online booking form on zipwater.com

Preventative maintenance plans

For ultimate peace of mind, Zip Water offers professional care of your system with a comprehensive range of HydroCare packages covering every maintenance requirement.

With everything you need to enjoy pure-tasting water, HydroCare ensures your HydroTap not only remains in perfect condition but operates at peak performance.

A history of drinking water innovation for over 70 years

Zip Water is a world-leading designer and manufacturer of instant boiling, chilled and sparkling filtered water solutions. Zip Water invests in Australian-based innovation design and world-class manufacturing to continually enhance water quality, functionality, energy efficiency and aesthetic appeal. Recognised as a global innovator, Zip Water's products are sought after and installed in over 75 countries worldwide, providing homes and workplaces with the purest-tasting, safest and cleanest water possible.

Micro

Featured product
HydroTap Micro installed over sink
in Chrome finish

Zip Micro is our smallest system, designed to fit under almost any bench, but still delivers perfectly boiling and chilled water at your fingertips. Zip Micro is perfect for small workplaces with up to 10 people.

Commercial HydroTap
